SAURABH KABRA

Strategy & Procurement Transformation Leader | Ex-BCG | \$500M+ Impact Across GCC | UAE Golden Visa

Dubai, United Arab Emirates

Summary

Strategy and transformation leader with 8 years of experience driving corporate strategy, operational excellence, and large-scale transformation across GCC, Africa, and India. Proven track record of delivering \$500M+ in business impact, including EBITDA improvement, cost optimization, and digital enablement for sovereign entities, PIF-backed firms, and Fortune 500 corporates.

Broad expertise spans corporate and business unit strategy, operating model design, performance improvement, and digital/technology adoption. Strong focus on operations and procurement, with depth in category management, strategic sourcing, supplier development, and should-costing, helping organizations achieve sustainable efficiency and resilience.

Trusted advisor to C-suite and ministerial leaders, with experience in regulatory environments, localization, and sustainability initiatives in the GCC. Ex-BCG consultant, now serving as Project Leader at TransformationX, where I lead cross-functional programs in strategy, procurement, and operational transformation. Holder of a UAE Golden Visa
